

## **NEGRENSE MARINE INTEGRATED SERVICES INC.**

Negrense Marine Integrated Services Inc., a wholly owned subsidiary of Negros Navigation Company, is a company that provides Hotel and Allied Services on shore and on board the vessels of Negros Navigation. The company was organized and incorporated on February 16, 2005, to engage in the management of the hotel operations for the Negros Navigation Vessels which include Front Office, Housekeeping, Food & Beverage outlets, and Shops & Amusements.

### **COMPANY FACTS**

The company is located at Pier 2, North Harbor, Tondo, Metro Manila, Philippines

#### **OUR MISSION:**

Negrense Marine Integrated Services, Inc. exist to add value to our customers by providing professional management and highly competent F & B and Housekeeping manpower who are pro-active, systematic with cost effective delivery of services and expertise.

#### **OUR COMMITMENT**

The company aims to provide Professional Hotel Management, to include Food Services and Housekeeping that offers enjoyable services on board the vessel. Negrense strives to achieve excellence by employing highly qualified and motivated personnel in all areas that will guarantee a competitive edge for the company.

Negrense has been a proud partner of Negros Navigation Co., Inc. in providing avenue for molding the future carriers of today's youths in the field of hospitality/hotel Industry, to wit:

- Tourism
- Steward Rating Course
- Cruise ship Management
- Hotel & Restaurant management

This is made possible through the On The Job Training ( OJT ) Program which provides customized shipboard training, for two(2 ), three (3) , six (6) and twelve (12 ) months, based on the needs of the students and on the academic/ curriculum requirement of their school.

The program will give the trainees hands - on experience and actual exposure on the different areas of the Hotel Services Department. It will also enable them to gain skills in customer service as they do their duties and responsibilities in various areas of the Hotel. The OJT program is also available for individuals who would want to gain a sea based experience, in preparation or as a requirement for international placement.
